Principal's Welcome:

Dear CBA Parents, Families, and Friends:

Welcome to *Carnival of the Animals*, CBA's Fourth Annual Spring Performance! It has been an exciting year at the Charlottesville Ballet Academy (CBA) and I am so proud of our students' hard work, commitment, and progress over these last few months.

It has also been an incredible year of growth for the Charlottesville Ballet: our Academy now serves over 350 students and the professional company includes twelve dancers from across the U.S. and around the world. In April, CB also received a \$10K grant from the Future Fund in the Charlottesville Area Community Foundation to expand our outreach program, *Chance To Dance*, that brings after school dance education to underserved children in the public schools.

With all of this growth and momentum, we are thrilled to share our most exciting news: **Charlottesville Ballet is expanding!** We have taken to heart the many requests from our dancers to create more studio space and class availability at CBA. The addition of two new studios will help us expand the Academy, support the professional company's educational programming, and offer space for more community outreach.

This summer, the Charlottesville Ballet will launch our first ever capital campaign called "Building the Future" to help us raise the remaining \$40,000 to make the expansion possible. We'll kick off the campaign with a Hard Hat Fundraising Gala on July 18 and will soon launch our "CB Wish List" online where families and local businesses can donate to help us purchase ballet barres, mirrors, and dance floors for the new space. We are so grateful to our CBA families for your support of the Academy and we hope you can join us to "Build the Future" of dance in Charlottesville!

Lastly, we want to thank our many volunteers, donors, and families who contribute their time, energy, and resources to make CBA the wonderful place that it is-- we could not do it without you! Please join me in celebrating the talent and dedication of our wonderful students as you sit back and enjoy the amazing animals of CBA!

Sincerely,

Sara Clayborne, *CBA Principal*
