

Join CBA students at our annual Charlottesville Ballet Academy Spring Performance on May 30, May 31, and June 1, 2025. This event includes performances by each class in our Children's Division, Student Division, and By Placement Division.

THANK YOU to all of you for supporting CBA and our students. We are excited for the upcoming annual Spring Performance! In order to accommodate our large CBA student base, we will have a performance on Friday, May 30 at 6:30PM, three performances on Saturday, May 31 at 10:30AM, 2:00PM, & 6:00PM, and two performances on Sunday, June 1 at 1:00PM & 5:30PM at [Charlottesville High School's Martin Luther King, Jr. Performing Arts Center \(MLKPAC\)](#).

The performances at 6:30PM on Friday, 2:00PM on Saturday, and 1:00PM on Sunday will feature all of CBA's ballet classes that are performing *Alice in Wonderland*. The performances at 10:30AM & 6:00PM on Saturday and 5:30PM on Sunday will feature all other classes in *Kaleidoscope*, where each dance is representative of different colors.

Please find important information below about the logistics of our rehearsal and performance days. **Additionally, if your child opts NOT to participate, please notify us as soon as possible by emailing cklyne@charlottesvilleballet.org.** As a reminder, even if your child chooses not to participate, no refunds can be made on any previously charged performance and/or costume rental fees. These fees have already been allocated to help cover the costs associated with holding the performance including rental fees for the theater and dressing rooms, tech staff, music licenses, staff/faculty wages, and costumes.

Tickets are FREE for the performance and must be reserved in advance (see [Ticket Information](#) below). Additionally, we will film all classes and put together a private video link that will be emailed to all families at no additional cost.

Volunteer Information:

- We appreciate your help and dedication to the art of dance by volunteering. We are in need of class chaperones in the dressing rooms, ushers, and load in/out help for these performances. Backstage chaperoning is a wonderful opportunity to spend quality time with your child as they excitedly express their love of dance and showcase their hard work alongside their friends—plus, you still get to watch their dance from the audience! If you are interested, please look for more details and sign up at: https://docs.google.com/spreadsheets/d/1qLwWK_5FYYGMOvKemfhoTjxz1gTbO6zNgnw_wwhAGhSk/
- *Chaperone Notes:*
 - Chaperones will stay with their group at all times backstage & in the dressing room.

- Once their group is called to the stage and ready to perform, the chaperone **will** be able to briefly go into the audience to watch the class and then will return backstage immediately following their group's dance to bring their class back to the dressing room.

Dress Rehearsal Days (May 14, 27, 28, & 29): Checking In and Out

- A staff person will greet you in the lobby of the theater. The dancer must check-in at the security table. Staff will then guide the dancer where to go. Students will meet their class chaperone and teacher in the theater.
- **All students should come *dressed* in their costumes with a cover-up ovetop. They should have their hair and makeup ready, and bring their dance shoes (See "[What to Bring](#)").** No dance shoes should be worn outside when entering or exiting the theater.
- **Each class will only be at the theater for their designated rehearsal time listed on the schedule below.**
- Students will watch the other rehearsals in the theater and wait for their class to be called onstage. Parents are allowed to enter the theater and watch for dress rehearsals.
- After each class rehearses on stage they will be escorted by staff to tour the changing areas and will meet in the front lobby for dismissal. Please meet and check out your child in the lobby.
- If you need to reach a staff member on a rehearsal day, **please call 434.973.2555.**
- No food or drink is permitted in the theater!
- **Attendance at Dress Rehearsal is MANDATORY.**

Performance Days (Friday, May 30; Saturday, May 31; & Sunday, June 1): Checking In and Out

- All students must wear a cover-up in and out of the building, and no dance shoes should be worn outside when entering or exiting the theater.
- All students should arrive with hair and makeup ready and wearing both their cover-up and costume (See "[What to Bring](#)"). **Please be sure your child has clothes to change into, as all costumes will be returned prior to leaving.**
- **Checking In:** Please bring all students to the front door of the theater. A CBA staff member will check-in the student and then escort students to the backstage area. For security purposes, only parents that have signed up to chaperone will be allowed backstage during or after the performance.
- **Checking Out: ALL students are REQUIRED to stay for the full performance. NO students will be dismissed before the end of the show.** Only one parent will be permitted in the designated pick-up area after the performance and your child will be escorted to you once they are done changing out of costume. Please listen for specific instructions about where to go for dismissal that will be announced during the show.

Photo/Video Information:

- No flash photography is allowed at dress rehearsals or performances.
- CBA will have a videographer recording the performances. We will put together a private video link of the performances that will be emailed to all families during the summer at

no additional cost.

Individual Portraits: [KMS Photography](#) is providing optional individual dancer portraits during our dress rehearsals on May 27, 28, & 29 in the Martin Luther King, Jr. Performing Arts Center lobby.

- Any dancers wishing to have photos taken in their costume(s) or any attire of their choice may sign up for a mini session. The sign-up link is available here: [Link coming soon!].
 - Please make sure to avoid signing up for a time slot during your child's arrival or rehearsal time.
 - If you'd like photos in more than one costume, please sign up for one slot per costume.
- There is no session fee. Photos will be available to view/purchase online after the sessions are completed and a portion of the proceeds will be donated to CBA.

Illness/Emergency Policy:

- If your student is ill or has an emergency on a rehearsal or performance day, **please call CBA staff at 434.973.2555**. Please leave a voicemail if there is no response, as our staff will continue to check voicemails each day.
- **Please note: Any student that misses their class rehearsal will not be allowed to perform in the show and no refunds can be made on any previously charged performance or costume rental fees.**

Important Student Information

Hair:

- All students must arrive for their dress rehearsal and the performance with their hair performance-ready.
- We welcome all hair types and textures at CBA ([see our IDEA page!](#)). If the requested style(s) are not feasible due to your hair length, texture, or style, please reach out to us at info@charlottesvilleballet.org and we will offer accommodations!
 - For *Alice in Wonderland*: We request that students have their hair secured in a ballet bun in the middle of the head.
 - For *Kaleidoscope*: We request that students have their hair secured in a ponytail. Students who prefer (with longer hair, in a ballet piece, etc.) also have the option to secure their hair in a ballet bun in the middle of the head.
- All dancers should use hair products suitable for their hair type to help keep their hair back and tidy. Bangs or other loose hair should be secured with bobby pins and hairspray or product appropriate for hair type.

Makeup:

- Stage makeup should be worn for the **Dress Rehearsal and Performance**. Stage

makeup is recommended to help the audience see the dancer's face better while on stage due to the distance from the audience and the intense stage lighting.

- Recommended stage makeup includes: mascara, eyeshadow, eyeliner, blush, and red lipstick.
 - (*Students under age 8: makeup is at the discretion of the parent. If a student does not arrive with makeup on, CBA staff will not apply any makeup.)
- Nail Polish: We prefer that students do not wear any nail polish.

Attire:

- No jewelry is permitted (small stud earrings are acceptable if they cannot be removed).
- A skin-tone camisole leotard is preferred instead of wearing underwear. This full body coverage allows for easy backstage changing.
- Students are required to wear their own tights. These details are provided on your costume information sheet (distributed with your costume), as it may vary by class.

What to Bring:

- **Dance shoes**
- **Your Costume(s)**
- **Tights (if listed on your costume information sheet), skin-toned camisole leotard, and cover-up** (please arrive to rehearsals & performances *wearing* these items): See your "Costume Information Sheet" provided with your child's costume rental(s) for specifics.
- **Hair essentials:** Bobby pins, hair nets in the natural color of the student's hair, hair product.
- **Makeup bag:** Labeled with student's name.
- **Towel or Blanket:** Each performer will need to bring a towel, blanket, or mat. This will be used as a designated area in the dressing room to put their belongings on.
- **Water, healthy snacks, & meals:** Please avoid packing foods that can stain or easily create a mess, and foods with common allergens. Only dry (drip-free), nut-free snacks will be permitted backstage—**please no eating in costume!**
- **Activities for downtime:** Quiet, contained, and mess-free (coloring books, puzzles, etc.).
 - Markers & paint-based products are not allowed—please pack crayons or color pencils instead.
 - We strongly discourage electronic devices (iPads, Kindles, cell phones, etc.). Electronic devices are NOT permitted to be used in any area where students are changing into costume.
 - Charlottesville Ballet and the theater venue are not responsible for any lost, stolen, or damaged items.

Schedule Overview

Each CBA class will have a short block of time to practice on stage in costumes throughout the week. Please note: ballet classes may have longer blocks to rehearse short group scenes after their individual class rehearses.
